TESTIMONIALS

“Wise, universal truths beautifully permeate this book—a true illustration of the law of the harvest.”

STEPHEN R. COVEY, author of National #1 bestsellers
The 7 Habits of Highly Effective People and
The 8th Habit: From Effectiveness to Greatness

“This book is about proper stewardship of our resources. The guidance provided is based on Biblical principles that, unfortunately, have too often been ignored. The wise reader will embrace this message!”

WILLIAM D. DANKO, Ph.D., co-author of
The Millionaire Next Door

“This book beautifully blends Christian values and the principles of financial success into a fun, entertaining read. You will be glad you read this book.”

RICHARD PAUL EVANS, author of the
New York Times #1 bestselling novel *The Christmas Box*

“Many books are skimmed, some are read, and a few are studied. This book is the latter. It is inspirational, motivational, and educational. You will return to it often.”

CHARLES T. JONES, author of
Life is Tremendous

“This book combines sound financial advice, the Spirit of the Lord, and great stories of people of interest.”

SUSAN BLACK, Religion Professor

“I found the book insightful and a very balanced look at the principles of financial prosperity. I love the emphasis upon seeking first the Kingdom of God. I really think the illustrations are excellent.”

NATE FUCHS, Minister

“This is a warm, wonderful book full of timeless truths you can apply to every area of your life.”

BRIAN TRACY, author of
The Way To Wealth

“WOW! What a great book. Cameron points out choices that determine success or disaster for you, your family, and our country. Every student should be required to read and study *Does Your Bag Have Holes?*. This book is not just a treasure to be discovered, but ideas on which we should all take action. It's easy to read and I guarantee that you will love and profit from it!”

DANIEL C. FALLER, Founder/President of the
Apartment Owners Association

“The personal application of these 24 timeless truths will enable you to achieve breakthrough financial and spiritual results in your life.”

HENRY MARSH, 4-time Olympic runner and author of
The Breakthrough Factor

“This book can help anyone replace damaging myths with Biblical truths that will set them on the right course for not confusing the pursuit of money with true success.”

RICH DEVOS, Billionaire, owner of the
Orlando Magic, and *co-Founder of Amway*

“Inspiring lessons of truth and wisdom beautifully applied to today’s world.”

SEAN COVEY, author of
The Seven Habits of Highly Effective Teens

“I believe this book will become a part of every Christian’s library on the shelf next to other great books such as *Mere Christianity* and *The Purpose Driven Life*.”

H. MASON ZEYER, President of
Kirosкуро, Inc.

“The real genius of this book is the realization that to uncover the truth, you must first identify and then debunk the myths perpetrated upon us by self-serving forces in a society determined to lead us astray. The financial and spiritual highway has so many ‘wrong way’ entrances. Everyone should read and learn the lessons in this book. Purchase a copy for yourself and then buy one for each of your children.”

RICHARD S. DRAZIEN, Executive Director of
Bentley International Group

“Empowering and truly inspired! As a direct result of learning and applying the principles taught in this wonderful book, I have been able to improve my life on all levels. I now understand what true prosperity entails and know what is required of me to enjoy its blessings.”

NATHAN SHIRLEY, President of
Vista Design, Inc.

“Truth speaks to the heart and soul! This is full of truth! I found it very informative with very practical and easy-to-apply principles that have blessed my life.”

BARBARA MUNSON, Executive Assistant

“Grab a pen and some paper because as you read this book, ideas on how to improve the way you live and work will come to you. Whether in business or in your personal life this book will help you to be a better person.”

ED McCULLOCH, Photographer

“This book contains analogies and short stories that will touch your heart and mind. After reading this book, I see a new potential for myself and others. It is liberating as a Christian to know that business and religion can work hand in hand and that one can be financially independent and spiritually free. I recommend sharing this message with all your loved ones.”

LEE GILLIE, High School Science Teacher

“This book is full of compelling real life stories that have motivated and inspired me to set new goals towards achieving true financial and spiritual wealth. The truths in this work taught by exposing the myths that wait to engulf people in their quest for financial freedom will be a blessing in my life for years to come.”

DR. SCOTT LOHNER, Ophthalmologist

“For over 30 years my company has taught tens of thousands of individuals the keys to financial success coupled with the principles of human happiness. After reading *Does Your Bag Have Holes?*, I wish I could have issued it as a core textbook to each and every student of the past three decades.”

G. KENT MANGELSON, President of
Wealth of America Training Centers, Ltd.
